"I am continually impressed by the superior customer service provided by all the departments within Discovery. Thank you for being a great partner to work with on our benefit administration."

– Benefits client

Flexible and secure

With advantages to both employees and employers, Health Savings Accounts (HSAs) are fast becoming a popular benefit. Discovery Benefits provides flexibility and security for both groups.

Working with us, your client experiences award-winning benefits administration plus proven fund management, independent of their health insurance plan.

Participants

HSAs provide a consumer-driven approach to paying for health care costs. Discovery Benefits simplifies the process by providing:

- Enrollment assistance/education
- Mobile apps allow participants to manage accounts on the go
- Free direct deposit
- Multi-purpose debit card
- Single sign-on
- 1st dollar interest
- New investment options
- Convenient, secure 24/7 account access to:
 - View performance reports, prospectuses, ratings and other useful investment tools
 - Request distribution
 - Check real-time account information
 - Pay the provider functionality
- Live online chat 7-7 CST M-F

Employers

Employers can save substantially on their benefits budget by offering HSAs. We are HSA experts and make them simple for your clients.
